

**2022 LEND A HAND  
Sports Charity Event**  
**Hosted by: LDFH Head Coach Linda Kreiser**

Our 11th Annual Lend a Hand Field Hockey Charity Event will be held as an online fundraiser as the Lower Dauphin turf field is being replaced and not available for our event. The four recipients who will share the proceeds this year are Zack Davis, Melissa Holland and family, Kathryn Kemble, and Maria Shaffer. Please see below to read descriptions of the life changing circumstances of our 2022 families.

Please donate to our 2022 Lend a Hand Event. We understand times are difficult, and there are many worthy fundraisers to support. Please consider our charitable event and give what you are able. We thank our supporters who have made financial donations in the past, and we hope you can do so again this year. Our collection deadline is June 3, 2022.

Love,  
Coach Linda Kreiser

**2022 LEND A HAND RECIPIENTS**

**Zack Davis**—Zack (a senior at LD and a member of the LD football team) was in a serious car accident on March 13. Zack remains in the ICU with severe brain injury with uncertainty of his recovery and long term effects. The family was planning to move to Germany at the end of the school year, as Zack's father was to be stationed in Germany, but the future for Zack and the family is uncertain.

**Holland Family**—Melissa (a '93 LD graduate) and her three children lost her husband and their father in September 2021 after he was diagnosed with a rare disease just months earlier. Melissa was a stay-at-home mother and must now decide on her next career path. Her oldest child is a 2020 LD graduate, and her two other children will graduate in '23 & '27. The two youngest children are involved in LD volleyball and hoping to generate funds to attend nationals in Orlando this summer.

**Kathryn (Kittie) Kemble**—An unexpected triple bypass surgery and extensive recovery created undue financial hardships for Kittie in many ways. She is considered one of LD field hockey's long term SUPERFANS, always present to support and cheer on the girls! It is now our time to support Kittie!

**Maria Shaffer**—Maria and Derek are LD teachers and have a 2017 LD grad and three daughters who currently attend LD. Maria had a bilateral mastectomy in November 2021 and is currently in an extensive chemo treatment program causing a significant life change. She must teach virtually on treatment days and is unable to do after school tutoring nor participate in the summer reading program.
