

Lower Dauphin Falcon Foundation 2024/2025 Grant Application

The Lower Dauphin Falcon Foundation (LDFF) is pleased to announce the availability of grants to support staff and community members in implementing student projects and activities that will enhance their educational experience. The grant shall support innovative or enriching student programs that promote academic excellence and improve educational quality for students in the Lower Dauphin School District (LDSD).

Name(s): _____ Date: _____

School/Community Office: _____ Grade/Dept.: _____

Phone: _____ E-mail: _____

Title of your project or activity: _____

Amount Requested: _____

Date of your activity or when materials are needed: _____

Please provide the following information on page 3 (limit to **one** page and *do not include name or identifying information within the information sheet*):

1. Briefly describe your project or activity, need, how many students will benefit and **how you will assess the success of your project after its completion.**
2. Justify your project or activity, including how it will enhance education within LDSD.
3. Provide a detailed and accurate budget (generally \$500 – \$1,000).
4. Submit your application to your Assigned Administrator (i.e., Building Principal) for approval before submission. Whether approved or not, a copy will be sent to Superintendent.

Note:

- Volunteers and/or presenters who do not currently have clearances on file at LDSD will be required to do so before contact with students.
- Any material purchases for the grant will become the property of and under the supervision of LDSD.

Complete the application form and include your one-page information sheet (details above).

Application Deadlines for 2024-2025:

October 23, 2024 (November–End of School Year)

March 5, 2025 (Summer Projects and Beginning of School Year)

Applicants will be notified of the decisions made by the Board of Directors within six weeks following the deadlines.

Evaluation Criteria

Favorable consideration is likely for projects or activities that:

- would not typically be funded from other sources such as departmental, professional, governmental, etc.
- are cost-effective regarding the number of students, staff, and/or community residents who will benefit.
- do not provide for general building budgetary items/supply costs.
- promote the interconnection and interaction between staff, community, and/or students.
- support *changes or innovations* of educational endeavors.
- display synergy with current activities.
- describe the self-sufficiency of the proposed project/activity.
- result in a continuing impact on educational or extra-curricular efforts, e.g., seed grants
- effort was given to look for other funding sources.

Funding requests submitted October 23 should be for projects during November through the end of the school year; March 5 submissions should be for projects during the summer and the beginning of the next school year.
