Lower Dauphin Falcon Foundation Charity Golf Outing

Presented by

ROHRER

Our mission in action!

Not all grant requests come from teachers or our community—sometimes they come from Lower Dauphin students themselves! Elizabeth Fredrick requested a grant to help Youth and Government attend three events this school year: Elections Convention, Pre-Legislative Session and the Model Convention (Capitol Building). The club teaches its student members how to be effective communicators and thinkers. They also learn how our government works and gain a better understanding of our democratic process in an impactful way. Multiple members of the LD delegation were recognized for their excellence.

Registration deadline:
April 12, 2024

Purpose

The annual charity golf outing is one of two major fundraising events for the Lower Dauphin Falcon Foundation (LDFF), a nonprofit education foundation formed to support Lower Dauphin students and the district's educational and extracurricular programs.

About Us

Established in 2006, the mission of the LDFF is to enhance educational opportunities through grants, camps and other initiatives, within the Lower Dauphin School District (LDSD) and community.

The goal of the LDFF is to partner with the community to raise funds and awareness for our mission, resulting in educational excellence through programs and projects that benefit Lower Dauphin (LD) students including scholarships for graduating seniors pursuing higher education.

LDFF is governed by elected officers drawn from community volunteers and is guided by formal by-laws. LDFF functions separately from the LD Board of School Directors, but within the framework of the policies established by that governing body.
